contact any St. Agnes  
student to purchase.  
Thanks for your  
support! \*\*\*

**Celebrating With Christ the King**

St. Agnes Singspirations were invited to participate in Mass and sing for the Senior Citizen Lunch Group at Christ the King Church on Thursday, January 22<sup>nd</sup>. The students attended mass and served in the ministries of lector and altar servers, enjoyed a pizza lunch provided by their group, then performed our choir fest program for their enjoyment. It was a great afternoon for everyone! Thanks to Fr. Todd for inviting us.

## Celebrating Catholic Schools Week

St. Agnes students kicked off Catholic Schools week by leading the 10:00 Mass on Sunday, January 25<sup>th</sup>. Students led all ministries and hosted a doughnut reception in appreciation of our wonderfully supportive parish. On Monday, we celebrated our bright future by hosting a career day. 25 community leaders spoke about the important role they play in our community. Each of the visitors was an alumni of our school. What a proud moment! We hosted our parents & family at the annual indoor picnic. We celebrated Mass with the Bishop on Wednesday and had wild time at our spirit rally where our very own mascot, Aggie the owl, was revealed. We provided an hour of service around the Church and school and closed the week with a Discipleship Friday. It was an awesome week of celebrating our amazing school!

## Hot Lunch Menu for February 2nd, 2026 - February 6th, 2026

### Monday, Feb 2

Pepperoni Calzone  
Spinach Salad  
Celery Sticks  
Apricots

#### **Helpers:**

Travis Gould  
Charissa Gould

### Tuesday, Feb 3

Pig in a Blanket  
Cheese Broccoli  
Carrots  
Mixed Fruit

#### **Helpers:**

Henry Nira  
Bethany Nira

### Wednesday, Feb 4

Chicken Nuggets  
Mashed Potatoes  
Cucumber & Celery  
Orange

#### **Helpers:**

Fabian Zamarripa  
Jody Windhorst

### Thursday, Feb 5

Walking Taco  
Refried Beans  
Rice  
Peaches

#### **Helpers:**

Katie Moser  
HELP NEEDED

### Friday, Feb 6

Breakfast Casserole  
Sausage Links  
Tator Tots  
Pears

#### **Helpers:**

Fabian Zamarripa  
Mayra Lara

# What's Happening at St. Agnes School.....

## Pre-K Class By Nicole Boness

Pre-K is back in action! Even though we've only been back for a couple of weeks, they've picked up right where they left off. The kids have been working really hard on learning to write their names, drawing themselves, and practicing letters and letter sounds. Almost all of them have mastered writing their names and can recognize all their letters. They've also created some wonderful artwork—building their own snowman scene, making penguins, and creating collages of animals that live in the Arctic.

We had a fun food experience where they got to make their own pizzas in the classroom. They chose between pepperoni or cheese and created their own little mini pizza—then got to enjoy them afterward! We also had a day where they got to bring their favorite stuffed animal and book. They loved sharing their favorite stories and cuddly friends with the class, and we even got to read a couple of the books together.

In the weeks to come, we will be celebrating Catholic Schools Week, kicking off Penny Carnival, celebrating the 100th day of school, and having our last school party!!

## Third Grade Class By Meghan Calvert

3<sup>rd</sup> quarter is in full swing in 3<sup>rd</sup> grade! We enjoyed Christmas break and came back ready to learn. During our first week back, we read the book *One Word*. This book is all about picking one word to be your goal for the year. After we read the book, each student picked their one word, wrote why they picked that word and then made a bracelet with that word using letter beads. By creating a bracelet, the students will always be able to remember their word or even be able to tell someone about their words if they are asked what it means.

For growth mindset, we played a game called *Can the Trash talk*. Each student got two different sayings. The sayings were either using growth mindset or fixed mindset. If the saying was fixed mindset, then the student had to crumble it up and throw it away! The students were really surprised with some of the saying that had to be “canned” because they were some they have said themselves not realizing they were fixed mindset sayings. We want to always use positive self-talk, words and phrases that help us grow, even when things get tough.

We are still rocking our math facts in 3<sup>rd</sup> grade. Currently, 3<sup>rd</sup> grade is fluent in 1, 950 math fact!! I cannot wait to see what the next few months have in store for us and all the growth they will make.
