

Connecting Students and Families through Faith
March 1, 2026

MARCH

Upcoming Events

Tuesday, March 3rd

Jump Rope for Heart Kick-off

Wednesday, March 4th

Mass @ 8:15 - 2nd Grade leads

Thursday March 5th

Midwest Theater Performance
PK - 5th Grade

Friday, March 6th

Fish Fry - 5:00 - 7:00

TODAY! MARCH 1st

11:30 - 3:30

ST. AGNES SCHOOL GYM

Fish Fry

Friday, February 20th marked the first Fish Fry of the season. An expanded menu added meatless spaghetti as a choice of meal along with the usual fish & chips and pizza. Shrimp is also available for an additional charge. Proceeds from the 3 fish fries are donated to the school for operational expenses. Thanks to everyone for their support of the event and to the Knights of Columbus for hosting the Fish Fry. Mark your calendar for March 6 and March 27th for the next events. Come and enjoy good food and great fellowship!

Winter Olympics

As the 2026 Winter Olympics opened in Milano, Italy, the St. Agnes Winter Olympics also began in PE. Students are participating in adapted versions of various Olympic events such as curling, luge, skeleton, bobsled, downhill skiing and more. They are having a wonderful time competing in the spirit of the Olympics, which is to foster an atmosphere of peace, development, resilience, tolerance and understanding. (Quite fitting that it matches our Catechetics teachings)

Discipleship Friday

Fruits of the Spirit was the theme of our Discipleship Friday held on Friday, February 20th. The students learned about the importance of filling our lives with peace, joy, love, faithfulness, goodness, patience, self-control, kindness and gentleness while ridding our lives of the sin that holds us back. We practiced the value of sharing the fruits of the spirit with others and learned about the virtue: temperance. We will be working hard on our self-control in the coming month.

We practiced the value of sharing the fruits of the spirit with others and learned about the virtue: temperance. We will be working hard on our self-control in the coming month.

Hot Lunch Menu for March 2nd, 2026 - March 6th, 2026

Monday, Mar 2

Sloppy Joe
Sweet Potato Fries
Sun Chips
Banana

Helpers:
Felicia Gorden
HELP NEEDED

Tuesday, Mar 3

Pig in Blanket
Cheesy Broccoli
Carrots
Mixed Fruit

Helpers:
Katie Moser
HELP NEEDED

Wednesday, Mar 4

Pulled Pork
Smiley Fries
Sun Chips
Watermelon

Helpers:
Selina Lerma
Rosy Lerma

Thursday, Mar 5

Taco
Refried Beans
Corn
Mandarin Oranges

Helpers:
Martin Urdiales
Jennifer Urdiales

Friday, Mar 6

Spaghetti Bake
Spinach Salad
Cherry Tomato
Grapes

Helpers:
Jordan Carrizales
Emma Saucedo

What's Happening at St. Agnes School.....

Pre-K Class By Nicole Boness

The month of February was a busy and fast one. We started off the month by celebrating 100's Day. The kids got to dress as if they were 100 years old. We enjoyed a fun 100's Day snack, which consisted of 10 different items that the kids placed into ten frames. They also created a 100's Day crown and made a necklace out of 100 beads.

February was also Dental Hygiene Month. We learned about our teeth and the importance of taking care of them. Mrs. Vath, who is a dental hygienist assistant, came in to teach the kids about teeth cleaning and how to properly care for their teeth. The kids got to participate in an activity where they pretended they were teeth and gums. The "doctor" came in to help clean their teeth and remove all of the yucky bacteria. They also talked about healthy foods and foods that can cause cavities. Mrs. Vath showed the tools they use during a teeth cleaning, and the kids watched a short video on how it is done.

In the next few weeks, we will be celebrating Read Across America, doing some fun St. Patrick's Day activities, and learning about Jesus and the true meaning of Easter.

The Penny Carnival is almost here, and I must say the Pre-K class did a great job selling tickets! Way to go, parents and kids!!

Third Grade Class By Meghan Calvert

We are rolling through the last semester of school, and it is a bittersweet moment for all of us. This last month has been busy with the 100th day of school, Valentine's Day, and Ash Wednesday.

In religion, we took time to look at different Psalms. The students then went through and found one that really spoke or stood out to them in that moment. They then wrote it on a big heart, and we hung them out in the hallway creating The Psalms of Faith wall. We also took advantage of the wonderful weather we have been having and went outside and wrote positive messages and bible verses on the sidewalk between St. Agnes and BMS. We talked about how this is a great way to spread the good news of our Lord and to let our lights shine.

Over the last few weeks, we have been learning about Black History Month, and the students really gravitated to the story of Ruby Bridges. It opened a lot of great discussions in our classroom, and the students took some time to reflect on how they would feel to be in Ruby's shoes. They thought it was amazing that even with all the awful things Ruby would hear walking into school every morning, she prayed for all those people, asking God to forgive them, instead of wishing ill will on anyone. We are currently learning about fraction and equivalent fractions in math. This can be a harder unit, but 3rd grade is rocking it and using our growth mindset every step of the way. We are diving into our weather and hazardous weather unit in science and getting ready to start the research process for our wax museum projects.
