**1<sup>st</sup> Day of School**

St. Agnes welcomed 105 students back to school on Wednesday, August 19<sup>th</sup>. Parents and students were welcomed by fun yard signs, and a grab & go breakfast opportunity provided by the HSA organization. All are looking forward to great growth in our faith and knowledge during the coming school year.

# Classroom News.....

## Safety Day

St. Agnes students and staff took part in safety day on Friday, August 21<sup>st</sup>. With the help of officers, Chris Calvert and Jordan McBride, all safety drills were practiced from various zones in the school. The students did a great job of taking seriously the importance of learning these procedures and carrying them out in a responsible manner.

## Blessing of the Backpacks

Father Konka joined the students and staff for a special blessing on the first day of school. He gave each student a special blessing tag to place on their backpack then read a prayer for the start of the new school year. The students, their backpacks and their classrooms all received a special blessing. We look forward with great hope to all the new year holds for us and our school.

## New Students

St. Agnes welcomed 18 new students for the first day of school on August 19<sup>th</sup>. We are excited to have them, and their families join our school community. Peaches

**Helpers:**  
Karen Mosch  
HELP NEEDED

### Friday, Sept 4

Pig in Blanket  
Green Beans  
Spinach Salad  
Grapes

**Helpers:**  
Karen Mosch  
HELP NEEDED

# What's Happening at St. Agnes School.....

## Pre-K Class By Nicole Boness

Pre-K is off to a great start. I have 14 wonderful kids that I get to teach this year. Our first week consisted of going over classroom procedures, safety drills, and getting to know one another. We are learning how to play with one another, share, what it means to be a kind friend, and learning how to walk in line.

The kids partook in safety day, and they never cease to amaze me. We had one full day to go over all the procedures, as well as practice. We did a full tour of the school where we went looking for all the owls on the doors so we know our "safe" spots. We practiced what to do for a tornado, lockdown, and fire drill.

We have done some other activities on learning how to use glue and scissors, learning how to greet one another, and in the next couple of weeks, we will be doing some activities about our grandparents and starting our apple unit.

## Fourth Grade Class By Kristi Becker

I'm happy to start another year in 4<sup>th</sup> grade! We are off to a great start. 4<sup>th</sup> grade is filled with 14 eager students. We welcome Owen Benton as a new student to our class.

We started the year with some community and faith building activities. 4<sup>th</sup> grade has added a prayer bench and a prayer board this year. I am happy to give the students a space to focus their time and mindset with the Lord. We also set some Goals for God. One goal we have as a class this year is to be reverent in our prayers when we are praying.

We started our science unit in Life Science, which is always a fun way to begin our year. We also began our interactive science journals.

In 4<sup>th</sup> and 5<sup>th</sup> grade reading, we began our novel units. 4<sup>th</sup> is reading Tales of a Fourth Grade Nothing and 5<sup>th</sup> is starting with Holes.

We are also starting to prepare for our trip to Flowerfield! We look forward to a busy, fun, faith-filled year!
